## 84 Lumber "Steels" the Iraqi Housing Market

84 Lumber steps up to the plate in a much needed market. Housing is currently experiencing a big boom in Iraq, however, there is not enough concrete in the country to fulfill the massive orders. 84 Lumber has been working with developers in the country trying to purpose a new technology; Steel Framing. 84 Lumber's International Sales team has quoted 2000 homes to an Iraqi builder, who will in turn plan a meeting with the Iraqi Government, in order to get this new technology approved. Mark Reginelli stated; "With this new technology, 84 Lumber hopes to "Steel the concrete housing market."
