

# 84 Lumber Rides Mower to Taiwan

84 Lumber  
ships  
windows,  
doors and a  
mower to  
Taiwan

84 Lumber takes a request in and as always, delivers. 84 International Sales Team is at it again, taking a normal Window and Door Quote and turning it into so much more. Mark Reginelli, Director of World Trade stated "At 84 Lumber we pride ourselves in providing a Complete Package." That is just what they did in Eighty Four, Pennsylvania. A request came in for a Window and Door quote, and after working with the customer to provide exactly what he was looking for, he asked, "Can 84 Lumber provide me with a riding lawn mower to cut my grass?" The 84 Lumber International Sales team answered the call, not only finding the mower he wanted, but gave him upgraded choices to make grass cutting easier.
